Oil from Northern Iraq set for export via Turkey, says minister

DAILY SABAH

Transportation of oil from Northern Iraq and natural gas to international market necessitates that these countries Government (KRG) and Iraqi government for the export of oil from Northern Iraq to world markets via Turkey have continued for months. The failure of the KRG and the central Energy and Natural Resources Minister Tamer Yildiz said that Turkey as a progressive Turkey also made statements on energy negotiations between Turkish and Greek Cyprus and efforts to normalize Turkish-Israeli relations. The

potential. There has been no official statement from either party regarding the final agreement but significant steps have been taken during the negotiation process. One key issue that was settled is the route of oil pipe lines. Speaking to Daily Sabah, Energy and Natural Resources Minister Tamer Yildiz said that Turkey as a progressive Turkey also made statements on energy negotiations between Turkish and Greek Cyprus and efforts to normalize Turkish-Israeli relations. The
